

CreositySpace – Green Architects

Parts List

Initial class kit is suitable for a class of 30 students and contains: (SKU EGA002)

- Green Architects simulated construction materials (e.g. cotton for insulation, felt as recycle rugs, popsicle sticks as sustainably harvested wood, tin foil as solar panels, cupcake wrappers as rain barrels, etc.).
- Printed student worksheets (STEM Explorer logs, timelines, etc.)
- *Green Architects* Educator Guide
- 12-month access to the *Green Architects* digital ***Technology Entrepreneurship Curriculum***

Replacement Kit not available

All the materials provided in the initial kit are consumable therefore we do not offer a replacement kit.

Additional materials required but not provided:

- Colored pencils or crayons
- Tape or glue
- **Students bring** in a shoe box (or something of similar size) and something that they would throw away or recycle.
